Helping Others Understand the Campaign

I'm excited to share a meaningful opportunity for a ministry I believe in and am grateful to support—the Spiritual Formation Society of Texas (SFSTX).

SFSTX has been invited to participate in a **Matching Grant Initiative** designed to help Christian nonprofits strengthen their financial sustainability.

What excites me most is that this opportunity is about far more than receiving a grant. Along with financial support, SFSTX is receiving training, coaching, and mentoring that will strengthen ministry relationships with those who already believe in their work, invite new people into their story, and build a healthy foundation for the season ahead.

As a young ministry, this feels like a timely opportunity to nurture what God has already planted while thoughtfully preparing for the growth we believe He may be inviting for this next season.

I'm grateful for the opportunity to participate—and excited to invite you to join me on this journey.

Ways to Participate

There are two meaningful ways to participate in ***Cultivating What God Has Planted***.

You can make a **one-time** gift that provides immediate support for the work ahead, or you can become a **monthly partner**, providing steady support that helps sustain the ministry of SFSTX throughout the year.

Whether you choose to give once or partner monthly, every gift helps nurture what God has planted and makes it possible for SFSTX to continue creating opportunities for spiritual formation, connection, and growth.

Subject: Would you consider partnering with me?

Hello _____,

I'd like to share something that has become very meaningful to me.

The Spiritual Formation Society of Texas is creating spaces throughout Texas where people can deepen their relationship with Christ through retreats, workshops, contemplative gatherings, spiritual direction, and authentic Christian community.

They have been awarded a Matching Grant opportunity, and every gift made during this campaign helps unlock additional funding that will strengthen the ministry for years to come.

Would you prayerfully consider making either a one-time gift or becoming a monthly sustaining partner?

Every gift helps cultivate what God has planted throughout Texas.

Frequently Asked Questions

How does the Matching Grant work?

SFSTX began this 90-day initiative with an **initial \$2,500 grant and the challenge to raise an additional \$2,500—a dollar-for-dollar match**. Thanks to the generosity of our community, that first match was successfully completed.

From there, the opportunity continues to grow. As **new gifts and commitments are made, they become the foundation** for the next matching challenge. We are grateful that **\$35,000 has now been committed**, providing a strong foundation for this next phase as we invite our wider community to participate.

Can I give monthly?

Absolutely. Monthly partners provide sustainable support that helps strengthen the ministry throughout the year.

How will my gift be used?

Funds will strengthen SFSTX's capacity to continue offering in-person and online ministry opportunities at no or low cost. Investments in communications, website support, donor stewardship, and ministry infrastructure will help us expand our reach and further our mission across Texas.

Will I receive updates on the progress?

Yes. Throughout the 90-day grant period, SFSTX will share monthly updates so you can follow their progress and see how the campaign is unfolding.

Pray with Us

We invite you to pray with us as you feel led, but particularly:

- For God's continued grace and provision
- For each person who will encounter our ministry
- For wisdom and discernment as the ministry grows
- For the new relationships and connections that will form through this campaign

Thank you for praying, sharing, giving, and helping cultivate what God has planted.
